In a procedural Order I issued in this proceeding on April 21, 2017, I directed the parties to file a status report on the progress of settlement discussions no later than May 17, 2017.

On May 17, 2017, the Vermont Department of Public Service ("Department") filed a letter with the Public Service Board stating that the parties were unable to resolve all issues in this proceeding and recommending that the case proceed under the penalty provisions of 30 V.S.A. § 30. Based on the Department's proposal and representation of agreement by the other parties, I establish the following schedule for this proceeding:

Respondent files proposed modifications to winter operating protocol	May 24, 2017
Non-respondents file comments and recommendations on respondent's May 24th filing	June 14, 2017

Proposed schedules for remainder of proceeding	Two weeks after Board ruling on proposed modifications to winter operating protocol
