**Re: Docket No. 7250 – Deerfield Wind Project
Final Sound Monitoring Sites**

Dear Ms. Whitney,

On behalf of CPG Holder Deerfield Wind, LLC ("Deerfield Wind"), enclosed please find a map of the three sites selected by the Vermont Department of Public Service's sound consultant for purposes of conducting the first year sound monitoring program. Deerfield Wind is filing the map pursuant to Section 2.3 of the PUC-approved Sound Monitoring Protocol, which required that it indicate the sound monitoring locations, wind turbines, and met tower locations.¹

It is Deerfield Wind's understanding that the PUC's sound consultant, Cross-Spectrum Acoustics Inc., is beginning their work within the coming days.

Please let me know if you have any questions or require further information.

Sincerely,

Andrew N. Raubvogel, Esq.
DUNKIEL SAUNDERS ELLIOTT RAUBVOGEL & HAND, PLLC
