Case No. 17-2571-INV

Order entered: 02/04/2020

THIRD ORDER RE DEADLINE FOR COMMENTS

On December 10, 2019, Georgia Mountain Community Wind, LLC (“GMCW”) filed proposed revisions to its approved winter operating protocol that GMCW contends will make more accurate determinations on when to shut down its turbines under icing conditions.

The deadline for filing comments on GMCW’s proposed revisions is currently February 10, 2020.

On February 3, 2020, GMCW filed a motion requesting that the deadline for comments be extended until March 2, 2020. According to GMCW, the additional time will allow it to develop technical parameters for a possible trial of the new software that would be used to implement the proposed revisions before determining whether those revisions should be approved. GMCW represents that the other parties to this matter support its request.

Based on GMCW’s representations, its request is granted. Comments on GMCW’s December 10, 2019, proposed revisions to its winter operating protocol are due no later than the close of business on March 2, 2020.

SO ORDERED.

Dated at Montpelier, Vermont, this 4th day of February, 2020.
