FOURTH ORDER RE DEADLINE FOR COMMENTS

On December 10, 2019, Georgia Mountain Community Wind, LLC (“GMCW”) filed proposed revisions to its approved winter operating protocol that GMCW contends will make more accurate determinations on when to shut down its turbines under icing conditions.

The deadline for filing comments on GMCW’s proposed revisions is currently March 2, 2020.

On February 26, 2020, the Department of Public Service filed a motion requesting that the deadline for comments be extended until March 23, 2020. According to the Department, the additional time will allow the parties to continue discussing the implementation of the revised protocol, including the potential for running and reviewing a trial test of the new software. The Department represents that the other parties to this matter support its request.

Based on the Department’s representations, its request is granted. Comments on GMCW’s December 10, 2019, proposed revisions to its winter operating protocol are due no later than the close of business on March 23, 2020.

SO ORDERED.

Dated at Montpelier, Vermont, this 26th day of February, 2020.
