

MEMORANDUM

To: Parties in PSB Docket No. 7628 - Lowell Mountain Wind Project

From: Susan M. Hudson, Clerk of the Board

Re: Rescheduled site visit

Date: November 3, 2010

Due to the high likelihood of inclement weather, the site visit scheduled for **Thursday, November 4, 2010, is cancelled**. Weather permitting, the site visit to Tillotson Camp will occur instead on **Friday, December 3, 2010**, and will be conducted by Board staff.

Due to the decreased amount of daylight that will be encountered on that date, attendees should meet at the parking area at the end of Tillotson Road at 10:00 a.m. and should be prepared for the hike to Tillotson Camp and dressed accordingly. Once again, attendees should bring bag lunches as there will be no mid-day stop for lunch during the hike.
