

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Case No. 7250

Amended Petition of Deerfield Wind, LLC, for a certificate of public good authorizing it to construct and operate a 1S-turbine, 30 MW wind generation facility, and associated transmission and interconnection facilities, on approximately 80 acres in the Green Mountain National Forest, located in Searsburg and Readsboro, Vermont, with 7 turbines to be placed on the east side of Route 8 on the same ridgeline as the existing GMP Searsburg wind facility (Eastern Project Area), and 8 turbines along the ridgeline to the west of Route 8 in the northwesterly orientation (Western Project Area)

VERMONT DEPARTMENT OF PUBLIC SERVICE EXTENSION REQUEST

On March 17, 2021, the Vermont Public Utility Commission (“Commission”) issued its Scheduling Order (“Order”) in the above-referenced proceeding. The requested comments, due on April 7, 2021, require the Vermont Department of Public Service (“Department”) to address comments received by Deerfield Wind, LLC and Windaction-Shea regarding sound monitoring conducted by the Department through its expert, Cross Spectrum Acoustics (“CSA”).

The Department respectfully requests a one-week extension to continue conversations with CSA regarding this proceeding and, particularly, the Commission’s requested comments.

Thank you, and please contact me with any questions.

Dated at Montpelier, Vermont this 5th day of April, 2021.
