**State of Vermont  
Public Utility Commission**

**MEMORANDUM**

To: GMG Farms, LLC  
From: Rowan Cornell-Brown, Reviewer *RCB*  
Re: 23-3505-NM – Notice of Complete Application  
Date: October 18, 2023

---

On October 9, 2023, the Vermont Public Utility Commission (“Commission”) received your application for a 35 kW solar electric generating project in Charlotte, Vermont.

Commission staff have determined that your application is administratively complete As of October 9, 2023. **Your case number** is 23-3505-NM.

The period for filing public comments, notices of intervention, motions to intervene, and requests for hearing will end on November 17, 2023.

**You must provide a copy of your application and notice of your application pursuant to PUC Rule 5.106(F) to all entities and persons entitled to receive such copies and notice within 2 business days of this memorandum.** Please ensure that all application copies are marked with the case number and the due date for comments and include the *Instructions for Participating in the Review of the Attached Net-Metering Application*, which is the first page attached to your printed application.

Please understand that acceptance of your application does not constitute a determination on the merits of the application. You may be required to provide additional information at a future date if necessary.
