Re: *Petition of Vermont Public Power Supply Authority for approval of a proposed EV/EVSE tariff rider program for its member utilities*
Case No. 23-3604-PET

Dear Holly:

At the scheduling conference in the above-referenced matter held on December 5, 2023, Hearing Officer Poppiti requested the parties to propose dates for a workshop during early January. Vermont Public Power Supply Authority and the Department of Public Service have discussed the issue and are available on the following dates: January 4th (afternoon only), January 5th and January 11th.

Thank you for your assistance and please let me know if you have any questions or concerns.

Very truly yours,

William F. Ellis
