**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Case No. 23-3604-PET

Petition of Vermont Public Power Supply Authority for approval of a proposed EV/EVSE tariff rider program for its member utilities	
--	--

MOTION FOR ENLARGEMENT OF TIME

NOW COMES Vermont Public Power Supply Authority (“VPPSA”), by and through its attorneys, McNeil, Leddy & Sheahan, P.C., and pursuant to Rule 2.207(C) of the Public Utility Commission’s Rules of Practice, hereby moves the Commission to enlarge the time by which it must respond to the Commission’s *Request for Information* in the above-captioned matter dated January 25, 2024 by one (1) week, from February 5, 2024, to February 12, 2024. In support of this Motion, VPPSA states as follows:

1. On January 25, 2024, the Commission issued a *Request for Information* (“RFI”) seeking the production of certain information by VPPSA on or before February 5, 2024.
2. In the morning of Sunday, February 4, 2024, one of VPPSA’s key employees involved in this matter fell ill and has been unable to complete the response to the RFI.
3. Commission Rule 2.207(C) provides: “Absent extraordinary circumstances, any motion to extend a deadline must be filed at least 3 days before the deadline and must set forth good cause why the extension should be granted.”
4. VPPSA was not aware of the need for an extension of the response deadline until yesterday when the key employee fell ill.

WHEREFORE, VPPSA respectfully requests that the Commission conclude that extraordinary circumstances exist and, for good cause shown, enlarge the time by which VPPSA must file its response to the RFI by one week, to February 12, 2024. Pursuant to Rule 2.206(K), VPPSA has requested the Department's consent to this motion, but has not heard back from the Department at the time of this filing.

Dated at Burlington, Vermont this 5th day of February 2024.

Respectfully submitted,

William F. Ellis
