**PROCEDURAL ORDER EXTENDING RESPONSE DEADLINE**

The case concerns a petition filed with the Vermont Public Utility Commission by the Vermont Public Power Supply Authority (“VPPSA”) for approval of a proposed Electric Vehicle/ Electric Vehicle Supply Equipment tariff rider program for its member utilities.

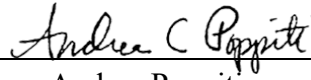

On January 25, 2024, I issued a request for information to VPPSA with responses due to be filed by February 5, 2024.

On February 5, 2024, VPPSA filed a request for an extension to February 12, 2024, because a key employee involved in developing the responses became unexpectedly ill.

VPPSA’s request for an extension for filing its responses to the request for information is granted. Responses are due to be filed by February 12, 2024.

**SO ORDERED.**
