10 turbines along the ridgeline to the west of Route 8 in)
the northwesterly orientation (Western Project Area) –)

Order entered: 5/22/2015

ORDER RE: COMMENT DEADLINE

On May 1, 2015, Deerfield Wind, LLC ("Deerfield Wind") submitted what it described as the first set of compliance filings pursuant to the Certificate of Public Good ("CPG") that the Public Service Board ("Board") issued for the Deerfield Wind Project (the "Project") on April 16, 2009. The compliance filings consist of determinations by the Federal Aviation Administration (Condition 33), Deerfield Wind's proposed Blasting Plan (Conditions 24 through 27), and the stormwater permits for the Construction and Operational Phases of the Project (Conditions 17 and 18). Deerfield Wind observes that, under condition 33 of the CPG, the Board stated that parties "shall have two weeks" to file comments on the FAA determinations. The CPG did not specify comment deadlines for the other two compliance filings.

The Board hereby requires that any comments on the three compliance filings be submitted by June 1, 2015.

SO ORDERED.

Dated at Montpelier, Vermont, this 22nd day of May, 2015.
