GMP Searsburg wind facility (Eastern Project Area), and)
10 turbines along the ridgeline to the west of Route 8 in)
the northwesterly orientation (Western Project Area) –)

Order entered: 6/3/2015

SECOND ORDER RE: COMMENT DEADLINE

On June 1, 2015, Deerfield Wind, LLC ("Deerfield Wind") submitted the second set of compliance filings pursuant to the Certificate of Public Good ("CPG") that the Public Service Board ("Board") issued for the Deerfield Wind Project (the "Project") on April 16, 2009. The compliance filings consist of Final Design Plans (Condition 2), the Substation Plan and One-Line Diagram (partial compliance with Condition 31)¹, and the proposed Construction Schedule and Plan (Condition 41). Deerfield Wind stated that Condition 31 of the CPG specifies that parties shall have two weeks to file comments (although the two weeks apply specifically to the System Impact Study). The CPG did not specify comment deadlines for the two other compliance filings or for other compliance filings required by Condition 31, but Deerfield Wind recommends allowing parties two weeks to comment.

The Board hereby requires that any comments on the three compliance filings be submitted by June 22, 2015.

1. Deerfield Wind represents that it will submit the System Impact Study required under Condition 31 "upon completing it through ISO-NE, expected in June/July 2015."

SO ORDERED.

Dated at Montpelier, Vermont, this 3rd day of June, 2015.
