Order entered: 03/24/2017

**PROCEDURAL ORDER RE: SCHEDULE AMENDMENT**

On August 5, 2016, the Vermont Public Service Board (“Board”) issued an Order establishing a schedule for this proceeding and designating me as lead Board staff member authorized to, among other things, make scheduling decisions as necessary. On February 9, 2017, I issued an Order amending the schedule following a proposed schedule modification filed by the Vermont Department of Public Service (“Department”) on February 3, 2017.

On March 17, 2017, the Department, Vermont Energy Investment Corporation, the City of Burlington Electric Department (“BED”), and Vermont Gas Systems, Inc., jointly proposed a further schedule modification.

On March 23, 2017, BED filed a request for an extension of the deadline to file reply comments on Development and Support Services (“DSS”) budget proposals from March 24 to April 7, 2017. BED represented that the Department agrees with its request.

I hereby modify the schedule consistent with the joint proposal and BED’s subsequent request, subject to the following exceptions: (1) the workshop proposed to be held on May 8, 9, or 10 will instead be held on May 16, 2017, commencing at 9:30 A.M. in the Susan M. Hudson Hearing Room, 112 State Street, Montpelier, Vermont; and (2) rather than filing comments and reply comments after the May 16 workshop, there is will instead be a comment deadline before the workshop, and an opportunity for reply comments following the workshop.

- |         |  |
|---------|--|
| 4/7/17  | Deadline for reply comments on first round modeling results and DSS budget proposals.  |
| 5/5/17  | Deadline for final resource-acquisition scenario model recommendations and recommendations for workshop and comments schedule, if any. |
| 5/12/17 | Deadline for comments on final resource-acquisition scenario model recommendations.  |

- 5/16/17 Workshop to discuss final resource-acquisition scenario model recommendations, including resource-acquisition budget proposals, modeling assumptions, and quantifiable performance indicator (“QPI”) and minimum performance requirement (“MPR”) weighting.
- 5/24/17 Deadline for reply comments (as needed).
- 6/16/17 Target date for Board order establishing the resource-acquisition budgets, modeling assumptions, and QPI and MPR weighting for each EEU’s final resource-acquisition scenario model.
- 7/14/17 Deadline for EEUs to file final resource-acquisition scenario model.
- 8/4/17 Target date for Board order on each EEU's resource acquisition and DSS budgets, assumptions, MPRs, QPIs, QPI weighting, and QPI super-stretch targets.
- 8/18/17 Deadline for EEU administration budget proposals, EEU compensation proposals, and final rate and bill impact analysis.
- 8/21/17 Workshop on EEU administration budget proposals and EEU compensation.
- 8/25/17 Deadline for comments on EEU administration budget proposals and EEU compensation.
- 9/1/17 Deadline for reply comments on EEU administration budget proposals and EEU compensation.
- 9/8/17 Deadline for EEUs, the Department, and other interested people to file final overall EEU budget recommendations, including rate and bill impacts.
- 10/2/17 Target date for Board order establishing total EEU program budgets.
- 11/01/17 Deadline for EEUs to file their 2018-2020 Triennial Plans.

**SO ORDERED.**

Dated at Montpelier, Vermont, this \_\_\_\_24th day of March, 2017\_\_\_\_.
