Investigation into New England Telephone and)
Telegraph Company's (NET's) tariff filing re:)
Open Network Architecture, including)
the unbundling of NET's network, expanded)
interconnection, and intelligent networks in re:)
Phase II, Module 2 – Cost Studies)

PROCEDURAL ORDER RE: FILING EXTENSION

On April 6, 2000, I issued an order requiring New England Telephone & Telegraph Company d/b/a BellAtlantic-Vermont ("the Company") and AT&T Communications of New England, Inc. ("AT&T") to notify me of any progress in resolving compliance problems arising from differences between the AT&T and Bell Atlantic-Vermont approaches to modeling non-recurring costs. AT&T and the Company were required to identify the remaining issues by April 10, 2000, to the extent that differences still remain. The Company has requested that I extend the deadline for this filing to April 14th, 2000. This request was made with the consent of the Department of Public Service and AT&T. The request is granted.

The conference call originally scheduled for April 11, 2000, is rescheduled for Wednesday, April 19, 2000, at 10:30 A.M. Arrangements for the call will be made through the Clerk of the Board's office. Those parties that would like to participate in the call should notify the Clerk's office by Monday, April 17, 2000.

DATED at Montpelier, Vermont, this 11th day of April, 2000.

s/J. Riley Allen
