Re: EEU 2013-01 Department of Public Service Update on Modeling Assumptions

Dear Mrs. Hudson:

The Department of Public Service's ("Department") comments of September 10, 2013 indicated it would file a "Table of Assumptions and Associated Values" for use in modeling scenarios no later than September 30, 2013. The Department needs one additional week to finalize this information, and therefore would like to inform the Board that it now plans to file this information on October 7, 2013.

Thank you for your consideration,

For the Department of Public Service

Brian Cotterill
Energy Program Specialist

Timothy M. Duggan
