

EEU-2013-01 VEIC Supplemental Filing Attachment B:

Efficiency Vermont Data Strategy and EEDP / BSP Communications History with Distribution Utilities

E-mails

- September 12, 2012 – *“EVT smart grid recommendations”*
 - Strategy white paper sent to Brian Cotterill, Vermont Public Service Department
- September 25, 2012 – *“Efficiency Vermont smart grid strategic framework”*
 - E-mail sending the white paper to Stowe Electric Department. Similar e-mails were sent to the other distribution utilities offering Advance Metering Infrastructure (AMI).
- October 1, 2012 – *“Efficiency VT Smart Grid Whitepaper”*
 - E-mail from James Massie to Brian Otley at GMP.
- September 27, 2013 – *“Upcoming vendor demos at Efficiency Vermont: Energy Efficiency Data Platform & Residential Customer Behavioral Savings Pilot”*
 - E-mail including the RFP and a re-send of the *Efficiency Vermont Smart Grid Recommendations* white paper (September 2012)
- October 8, 2013 – *“Go-To Meeting info for Wednesday’s demo – Efficiency Vermont Energy Efficiency Data Platform / Behavioral Savings Pilot”*
 - Several separate e-mails containing go-to information for all the demos. This is one example.
- October 17, 2013 – *“RE: EVT demos”*
 - Response to questions from Bill Powell of Washington Electric Cooperative.
- November 18, 2013 – *“Opower meeting – does 12/5 in AM work?”*
 - E-mail exchange between VEIC and Brian Otley at GMP regarding the Opower privacy and security webinar. There were several exchanged responses on this topic.
- November 20, 2013 – *“Update: Efficiency Vermont Efficiency Data Platform / Behavior Savings Pilot”*
 - Update and announcement about the Opower privacy and security webinar. There were several subsequent e-mails about scheduling and webinar info. The webinar was held December 5.
- December 6, 2013 – *“RE: Go-To Meeting info for Wednesday’s demo – Efficiency Vermont Energy Efficiency Data Platform/Behavioral Savings Pilot”*
 - Example of e-mail exchanges with Bill Powell and Dave Hallquist (Vermont Electric Cooperative) about a make-up session for the Opower privacy and security webinar. That session was held December 12.

- December 8, 2013 – “*Opower invitation to Vermont Gas Systems*”
 - E-mail sent by Jim Merriam to Scott Harrington to invite him to coordinate regarding Opower implementation
- December 10, 2013- “*Opower Vermont Gas Systems Follow-up*”
 - E-mail exchange between Jim Merriam and Scott Harrington regarding Opower implementation
- January 9, 2014 – “*VEIC Opower Update*”
 - E-mail sent to all AMI DUs.
- January 21, 2014 – “*Opower update*”
 - E-mail sent to all distribution utilities, with more detailed information regarding data transfer, and a few action items (for example, distribution utility technical lead, and dates for Opower meetings)

Meetings

- March 29, 2012 – “*GMP-EVT Smart Grid Collaboration discussion at GMP*”
- July 16, 2012 – “*VEIC AMI Security Protocols*”
 - Meeting with Public Service Department and distribution utilities (not 100% in attendance)
- October 18, 2012 – “*EVT-DPS SG update*”
 - GMP was also invited and present
