Re: EEU- 2013-01 Demand Resource Plan Proceeding – Joint Proposal to Adjust Schedule

Dear Mrs. Hudson:

The Vermont Public Service Department (“DPS” or “Department”), on behalf of itself, Vermont Energy Investment Corporation (“VEIC”) and Burlington Electric Department (“BED”) file this joint proposal to adjust the schedule in this proceeding.

The schedule below differs slightly from the one proposed in the Board’s July 9, 2014 Order and is necessary in order to provide sufficient time for the Department to review the updated model results from VEIC and BED, as well as to afford all parties an adequate opportunity to develop their reply comments. The deadline for the filing of the proposed Omnibus Order is adjusted for similar reasons.
