Re: New Date for Draft Geotargeting Evaluation Report and Workshop

Date: December 3, 2010

On December 2, 2010, the Department of Public Service ("Department") sent an e-mail to the EEU-2010-06 distribution list requesting to move by one week the dates to file the Department's draft evaluation of geographically targeted ("GT") energy efficiency programs and the related workshop. None of the participants that responded to the Department's request objected to the schedule change. The Public Service Board ("Board") staff is therefore rescheduling the filing and workshop dates.

The Department's GT draft evaluation is now scheduled to be filed by noon on Friday, December 10, 2010, and the workshop will now be held on Monday December 13, 2010, at 1:30 p.m. in the Board's Third Floor Hearing Room at 112 State Street in Montpelier, Vermont.
