Re: Workshop on QPIs and Updated Savings Forecast - Revised Agenda

Date: October 27, 2011

On October 25, 2011, the Vermont Department of Public Service ("Department") and the City of Burlington Electric Department ("BED") jointly filed proposed quantifiable performance indicators ("QPIs") and an updated 20-year forecast of savings based on the Energy Efficiency Utility budgets approved in the August 1, 2011, Order issued by the Public Service Board ("Board").¹

In an October 25, 2011, memorandum, the Board scheduled a workshop to discuss the QPIs and updated forecast of savings proposed by the Department and Vermont Energy Investment Corporation ("VEIC").² The workshop will also include a discussion of the QPIs and updated forecast of savings proposed by the Department and BED.

As noted in the October 25 memorandum, the workshop will be held on Friday, November 4, 2011, at 9:30 A.M., in the Board's Third Floor Hearing Room, 112 State Street, Montpelier, Vermont.

¹In the August 1 Order, in Board proceeding EEU-2010-06, the Board directed workshop participants to file an updated savings forecast and proposed electric QPIs.

²On October 20, 2011, the Department and VEIC jointly filed proposed QPIs and an updated forecast of savings.
