Re: Schedule for QPIs and Updated Savings Forecast

Date: November 17, 2011

On November 4, 2011, Public Service Board ("Board") staff conducted a workshop to discuss the quantifiable performance indicators ("QPIs") and updated forecast of savings proposed by the Vermont Department of Public Service ("Department"), City of Burlington Electric Department ("BED"), and Vermont Energy Investment Corporation ("VEIC").¹

Based on workshop participants' input, Board staff are adopting the following schedule:

November 15, 2011	Deadline for the Department, BED, and VEIC to file updates to proposed QPIs and forecast of savings
December 9, 2011	Deadline for comments on proposed QPIs and forecast of savings.

¹On October 20, 2011, the Department and VEIC jointly filed proposed QPIs and an updated forecast of savings, and on October 25, 2011, the Department and BED jointly filed proposed QPIs and an updated forecast of savings.
