Re: Next Steps in Track C, Geotargeting – January 4, 2012 Workshop

Date: December 22, 2011

On December 21, 2011, the Vermont System Planning Committee ("VSPC") filed its recommendations for territories to receive geographically targeted ("GT") energy efficiency services. Pursuant to the schedule adopted in this proceeding on November 8, 2011, any comments on VSPC's territory recommendations and budgets, the process that VSPC used to reach its recommendations, and any other matters related to the GT program should be submitted by December 30, 2011.

Public Service Board ("Board") staff will convene a workshop to discuss the recommendations and any comments at 9:30 A.M. on Wednesday, January 4, 2012, in the Board's third floor hearing room, located at 112 State Street (People's United Bank Building), Montpelier, Vermont.
