

Michael Lawrence Associates PLC

Landscape Architects / Site Planning Consultants

Michael Charles Lawrence ASLA

Highly motivated design professional practicing the discipline of landscape architecture for over 40 years.

Applies primary character traits—
patient attitude—optimistic outlook—visions of beauty—careful craftsmanship
to transform site challenges—issues—problems
into
graceful landscapes.

LANDSCAPE ARCHITECTURAL DESIGN SKILLS

- Experienced as both primary landscape design consultant and consultant representative on site projects with budgets ranging from several thousand to over one million dollars.
- Design leader and team member for wide variety of award winning projects including; private residences, multi-family housing, public parks and gardens, urban landscapes, school campuses and both medical and commercial facilities. Works well with people.
- Adept at discovering site opportunities.
- Clear organization, presentation and communication of design ideas.

ORGANIZATIONAL AND PROJECT MANAGEMENT SKILLS

- First Chairperson Vermont Chapter of the American Society of Landscape Architects
- Skilled Presenter to Local Development and State Environmental Boards
- Co-organizer for Kairos at New York's Clinton Correctional Facility (max. security) - a nationally based volunteer program to bring peace to our prisons and communities.
- Co-organizer of Camp Agape Vermont - free camp for children who have experienced a parent's imprisonment— to break the cycle of intergenerational incarceration.
