

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

TELECOMMUNICATIONS PROVIDER REGISTRATION FORM

Applicants for a Certificate of Public Good to provide telecommunications services must complete and file the application form. Please note that all Applicants must first be registered with the Vermont Secretary of State to do business in Vermont. **Failure to complete the application form and attach all necessary accompanying documents may result in delay and/or denial.**

All attachments to this application should bear the legal name of the Applicant as it is on file with the Vermont Secretary of State. If the filer of the application form is not an officer of the Applicant, a written document executed by a corporate officer authorizing the filer to act as an agent of the Applicant must be included as an attachment to the application form.

Please contact the Public Utility Commission at 802-828-2358 if you have any questions regarding this application form.

Note: You may fill out and file this form online in the Public Utility Commission's electronic document management system, known as ePUC, which is accessible at <http://epuc.vermont.gov>. If you do so, ePUC will provide notice of, and access to, this application to the Vermont Department of Public Service. More information about using ePUC is available at <http://puc.vermont.gov/epuc-information>. **If you choose to file this application with the Public Utility Commission in paper form, you must mail a copy of this application, along with all supporting documents, to the Vermont Department of Public Service at 112 State Street, Montpelier, VT 05620-2601.**
