Re: **Docket 17-5024 PET – Site Visit and & Public Hearing**

Dear Mrs. Whitney:

In response to the objection made by the Town of Bennington (the “Town”) to the date set by the PUC for the site visit and public hearing in the above-captioned docket, the Petitioner would like to note that (i) the law firm hired by the Town has multiple attorneys that can attend the site visit and public hearing if the Town feels it necessary to have counsel attend and (ii) the Town has participated in multiple site visits and public hearings with respect to these proceedings and is intimately familiar with the proposed project in this docket.

Please feel free to contact me with any questions.

Very truly yours,

Michael Melone
