Case No. 17-5024 – Petition of Chelsea Solar LLC

Dear Ms. Whitney,

By this letter, the Agency of Natural Resources (Agency) requests that the Commission stay its consideration of the Agency's objections to the admission of certain exhibits and portions of the third supplemental testimony of Brad Wilson, which objections were filed on May 9, 2018 in this matter.

The Agency further requests that the stay, if issued, remain in effect until the evidentiary hearing or until either party (Chelsea Solar or the Agency) requests a ruling on the objections. The Agency acknowledges, and agrees, that Chelsea Solar shall also be provided with the opportunity to respond to the objections prior to any ruling by the Commission.

I have discussed this request for counsel for Chelsea Solar and am authorized to represent that Chelsea Solar consents to this request.

Please contact me if you should have any questions or require additional information.

Respectfully submitted,
State of Vermont Agency of Natural Resources
