Re: Docket 17-5024-PET
Petition of Chelsea Solar LLC, pursuant to 30 V.S.A. § 248, for a certificate of public good authorizing the installation and operation of the "Chelsea Solar Project," a 2.0 MW solar electric generation facility located off Willow Road in Bennington, Vermont.

Dear Ms. Whitney:

On June 14, 2018, the Public Utility Commission issued an order granting the Town of Bennington's Motion for Interlocutory Review. As previously stated, the Department has no objection to this interlocutory review. I write to inform you that the Department is not taking a position on the Vested Rights order of May 17, 2018, which is the subject of the interlocutory review.

Sincerely,

/s/ Jim Porter
