Re: **Docket 17-5024 PET – Withdrawal of Alternative Site Plan**

Dear Ms. Whitney:

On February 14, 2018, Chelsea Solar LLC (“Chelsea”) filed the second supplemental prefiled testimony of Brad Wilson and exhibit CS-BW-28, an alternate site plan for the proposed project. At this time, Chelsea notifies the Commission that in light of the renewed objection by Libby Harris to northerly access stated in her pre-filed testimony of June 22, 2018, and to reduce the issues in this case, Chelsea is withdrawing the second supplemental testimony of Brad Wilson in its entirety, and thus not pursuing approval for an alternative site access at this time.

Please feel free to contact me with any questions.

Very truly yours,

Michael Melone
