Re: **Docket 8454 PET – Amended Exhibit CS-BW-87**

Dear Ms. Whitney:

On August 10, 2018, Petitioner filed Exhibit CS-BW-87. Petitioner has just discovered that due to an administrative error, the incorrect version of the Solar Sites Map was uploaded. As such, we are updating ePUC with the correct version of Exhibit CS-BW-87.

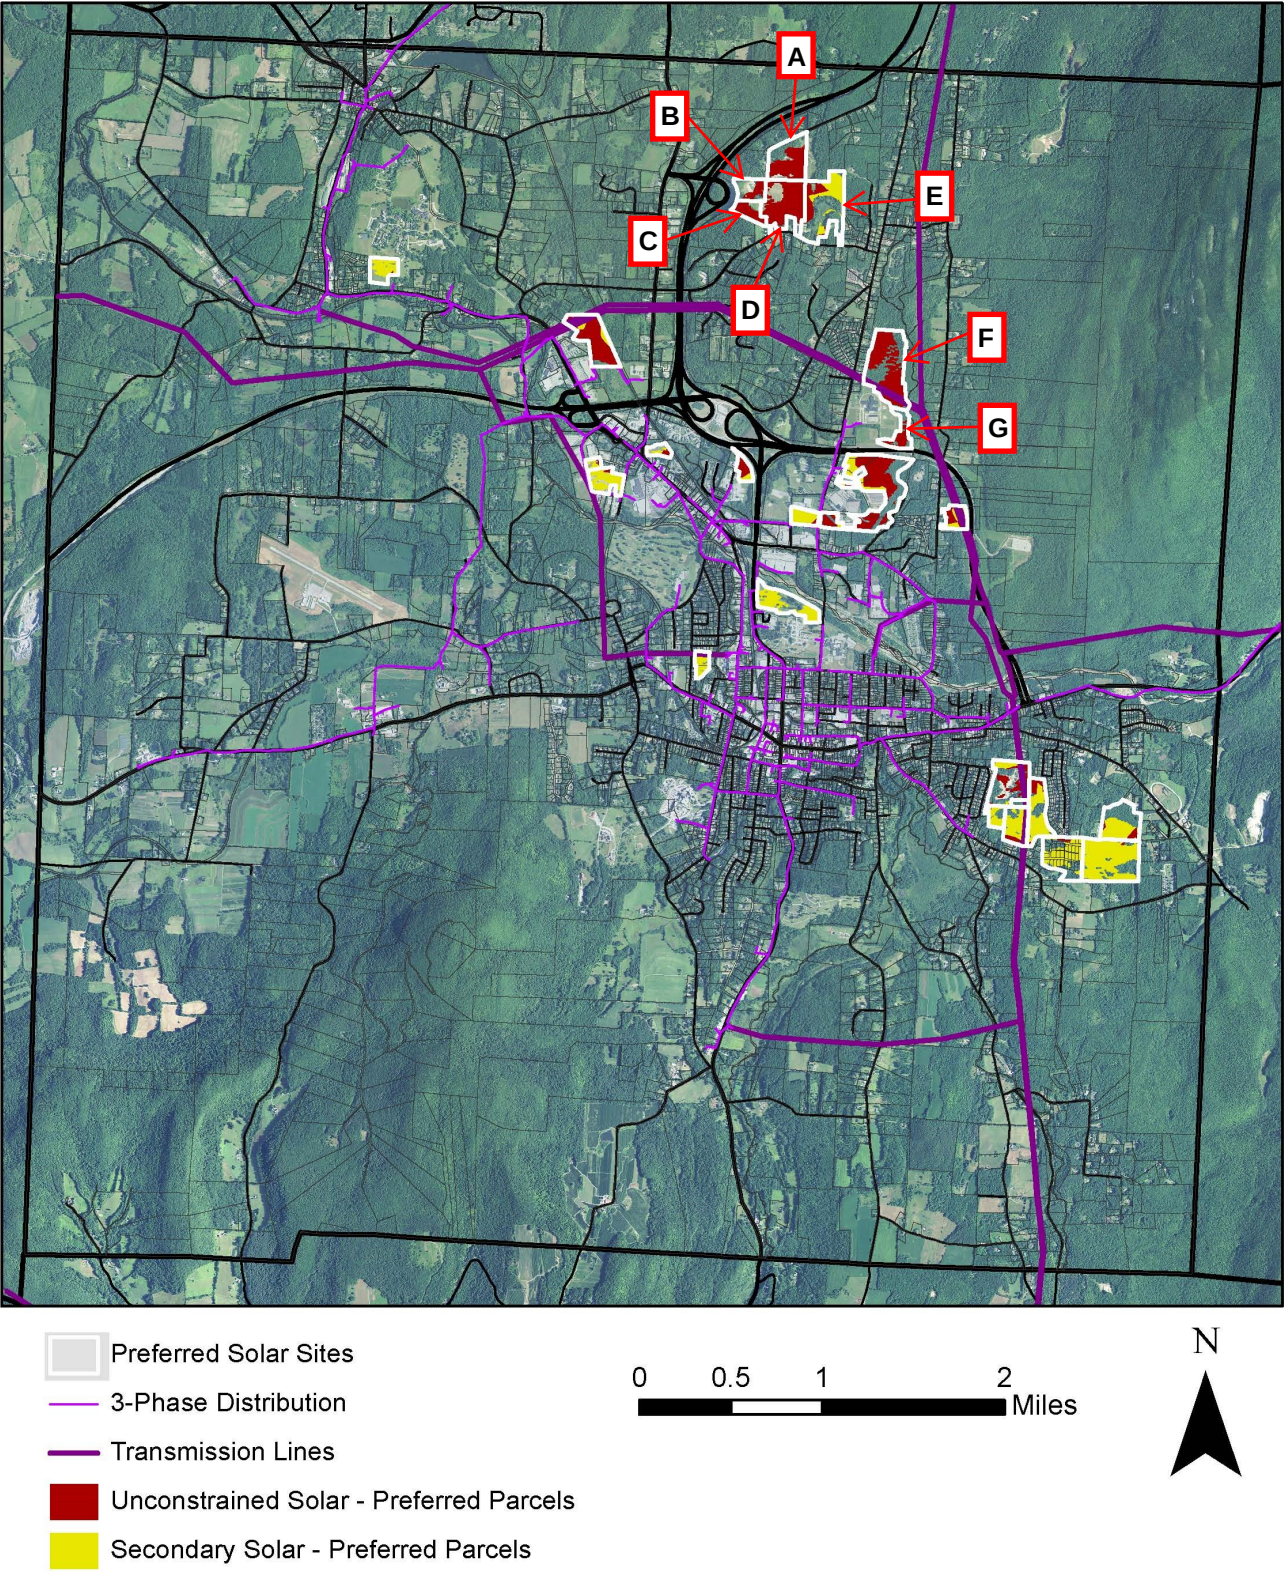

Please feel free to contact me with any questions.

Very truly yours,

Michael Melone

Exhibit CS-BW-87

*Bennington Solar Preferred
Sites Map w/ markup*

Preferred sites contain a total of 348 acres of prime and secondary solar resource (543 total acres in selected parcels)

Map 7a. Preferred sites—suitable for development of small, community, and larger (utility) scale solar generation projects.
