MOTION TO TRANSFER CERTIFICATE OF PUBLIC GOOD

Salisbury AD 1, LLC ("Salisbury AD 1") and Lincoln Renewable Natural Gas, LLC ("Lincoln RNG") move the Public Utility Commission ("PUC" or "Commission") to transfer the Certificate of Public Good ("CPG") issued in this docket.

On April 8, 2016, the Commission granted Lincoln Renewable Natural Gas, LLC ("Lincoln RNG") a Certificate of Public Good ("CPG") in this docket under 30 V.S.A. § 248(j) to construct and operate an anaerobic digester at the Goodrich Farm at 592 Shard Villa Road in Salisbury, Vermont ("the As-Approved Project"). Lincoln RNG is no longer pursuing development of the As-Approved Project.

The CPG provides that the CPG "shall not be transferred without prior approval of the Public [Utility Commission]." Lincoln RNG has identified Salisbury AD 1, LLC as the successor developer and has agreed to and will transfer the CPG to Salisbury AD 1, LLC, subject to prior approval by the Commission, and joins in this motion for that purpose. *See* Affidavit of Daniel Smith.

Salisbury AD 1, LLC ("Salisbury AD 1"), a domestic limited liability company with a principal business address of 20 Walnut Street, Suite 308, Wellesley, MA 02481. Salisbury AD 1 is a "company" as defined by 30 V.S.A. § 201. When the Project is constructed and operational, Salisbury AD 1 will be "[a] company engaged in the manufacture, transmission, distribution or sale

of gas or electricity directly to the public or to be used ultimately by the public for lighting, heating or power,” and is therefore subject to Commission jurisdiction under 30 V.S.A. § 203(1).

Independent of Lincoln RNG, Salisbury AD 1 is filing a petition for a Certificate of Public Good under 30 V.S.A. § 231 at the same time as this motion, in order to demonstrate that its operation of such a company complies with the section 231 statutory criteria. In addition, Salisbury AD 1 is filing, independent of Lincoln RNG, a petition for an amendment to the CPG. Salisbury AD 1 agrees to be fully bound by, and comply with, all terms and conditions of the April 8, 2016 CPG and Final Order, as it may be amended by the Commission.

Dated at Montpelier, Vermont this 3rd day of October, 2018.
