**Re: Case No. 18-3449-PET Salisbury AD 1, LLC  
Re Motion to Amend CPG**

Dear Ms. Whitney:

The Agency of Natural Resources is in receipt of the motion to extend the comment deadline filed by the Department of Public Service yesterday. The Agency supports the Department's request and now joins in the request and asks that the deadline for the Agency's comments also be extended to October 31, 2018.

An additional week would enable the Agency to more comprehensively review the motion, compile, and file comments. Agency staff in various programs are actively reviewing the motion due to the proposal touching on several substantive areas relative to the Agency's participation under Section 248(b)(5). Completing such a review and compiling comments within the short turnaround has proven challenging due to competing demands on Agency staff. Undersigned counsel was attending a site visit yesterday afternoon in another matter and was unable to speak with Department's counsel at that time. I since spoke with Department's counsel this morning and am authorized to represent that the Department supports the Agency joining in the Department's motion for an extension.

Respectfully submitted,  
State of Vermont Agency of Natural Resources
