Subject: Letter from Annette Smith to PUC re: issues of concern regarding VT-DPS
Date: Wednesday, November 28, 2018 7:34:10 AM

Dear Judith Whitney,

Please insure this e-mail reaches each of the PUC Commissioners. Thank you.

For the Commissioners:

Annette Smith, speaking through Vermonters for a Clean Environment (VCE) in her very recent letter to you regarding issues of public concern about the Vermont Department of Public Service (VT-DPS), speaks for me on these very same issues. I heartily endorse Annette's letter and strongly urge you to make the best use of her common sense advice in dealing with problems which have long existed with VT-DPS.

Thanks you and best regards to all.
