12/07/2018	Schultz, Paula Susan [PUBCOM]	Rural Life in Halifax, VT comes with natural challenges. Had 8" of heavy wet snow recently. Power off for 5 days, and now, day #11 post storm, I now have land line and internet returned. This is TOO LONG TO WAIT!!! Being a senior, living alone I need to be able to get help if required....phone critical!! The line man working out here from Consolidated has been awesome! Hard worker, personally caring, & checking on my welfare. Consolidated tries to limit their overtime....WRONG!!	Filed
