**State of Vermont
Public Utility Commission**

MEMORANDUM

To: Participants in Case No. 17-4632-INV
From: Elizabeth Schilling, Staff Attorney 
Re: Request for Comments in Case No. 17-4632-INV
Date: December 28, 2018

On December 21, 2018, Vermont Electric Cooperative, Inc. (“VEC”) filed a motion to alter or amend the Vermont Public Utility Commission’s (“Commission”) order approving the 2017 Renewable Energy Standard (“RES”) compliance filings, issued on December 10, 2018 in case number 17-4632-INV. In its motion, VEC states that the Commission’s order should reflect VEC’s October 10, 2018, filing in which it claimed 11,467 MWh of Tier III savings, rather than the 9,763 MWh cited in the order. The Vermont Department of Public Service (“Department”) never commented on VEC’s October 10, 2018, which was submitted after the Department filed its comments in the proceeding.

Additionally, on December 21, 2018, the City of Burlington Electric Department (“BED”) filed a letter identifying an error in its August 31, 2018, compliance filing for the 2017 RES. BED discovered that its 585 Pine Street Solar array generated 13 MWhs, not 22 MWhs as previously reported. Therefore, BED plans to retire nine more Tier II credits, which it had previously banked, to make-up for this reporting error.

Prior to making any changes to its December 10, 2018, order, the Commission asks that the Department and any other party wishing to do so file comments on the requested changes on or before January 11, 2019.

PUC Case No. 17-4632-INV - SERVICE LIST

Parties:
