Public Utility Commission**

MEMORANDUM

To: Parties in PUC Case No. 18-1633-PET
From: Holly R. Anderson, Deputy Clerk *HRA*
Re: Technical Correction
Date: May 31, 2019

On May 24, 2019, a Final Order was issued by the Vermont Public Utility Commission in this proceeding. On Page 39, in Order paragraph #5, it was noted that “Within 30 days of this Order, GMP shall file in a new tariff proceeding...”. This was incorrect, the correct timeframe should have been 90 days.

Attached is a replacement Page 39 with the corrected term of 90 days in #5. A corrected version has also been uploaded into ePUC in replacement.

Our apologies for any confusion this may have caused.

Thank you.

Attachment: (1)

VIII. CONCLUSION

In conclusion, after considering the evidence in this proceeding, the Commission finds that the Plan, subject to the modifications discussed in this Order, satisfies the statutory criteria contained in 30 V.S.A. § 218d, will provide GMP with flexibility to innovate while simultaneously providing consumer protections, and will promote the public good. For all of these reasons, we approve the Plan, as modified by this Order.

IX. ORDER

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED by the Vermont Public Utility Commission (“Commission”) that:

1. The Multi-Year Regulation Plan (the “Plan”) proposed by Green Mountain Power Corporation (“GMP”), subject to the modifications discussed in this Order, meets the criteria of 30 V.S.A. § 218d and is in the public good. The Plan is approved and will take effect 30 days from the date of this Order.
2. Within 14 days of this Order, GMP shall file in this case a final multi-year regulation plan that is consistent with the findings and discussion in this Order.
3. GMP shall revise the Earnings Sharing Adjustor in the Plan to be consistent with the findings and discussion in this Order.
4. GMP shall revise the Return on Equity Adjustor in the Plan consistent with the findings and discussion in this Order.
5. Within 90 days of this Order, GMP shall file in a new tariff proceeding a revised net-metering tariff that identifies the Emerald Ash Borer Adjustor and the Major Storm Adjustor as non-bypassable charges, consistent with the discussion in this Order.
6. The terms of the GMP-REV MOU are approved.
