STIPULATED MOTION TO EXTEND BRIEFING DEADLINES

The Department of Public Service (Department) moves for the Public Utility Commission (Commission) to modify the briefing schedule for this case. Specifically, the Department requests that the deadline for submitting initial briefs in this matter be extended from Tuesday, November 5, 2019, to Thursday, November 7, 2019. Likewise, the Department requests that the deadline for reply briefs be extended from Tuesday, November 12, 2019, to Thursday, November 14, 2019.

The Department is authorized to represent that it has conferred with the Washington Electric Cooperative (WEC), which supports the Department's requested extensions. The transcript for the October 22, 2019 evidentiary hearing was made available to the parties via ePUC on October 31, 2019. Both parties agree that additional time with access to the transcript will facilitate preparation of initial briefs and that a limited two-day extension will not cause any unnecessary delay to this proceeding.

Dated at Montpelier, Vermont, this 31st day of October, 2019.
