Case No. 19-1270-TF

Washington Electric Cooperative, Inc.'s, tariff filing for rate design changes and a change in rate schedules to be effective on services rendered beginning June 17, 2019	
--	--

Order entered: 11/01/2019

PROCEDURAL ORDER GRANTING MOTION TO EXTEND BRIEFING SCHEDULE

This case concerns the Vermont Public Utility Commission's investigation into the tariff filing by Washington Electric Cooperative, Inc. ("WEC") reflecting proposed rate design changes and a change in rate schedules.

On October 31, 2019, the Vermont Department of Public Service filed a motion to extend the deadlines to file initial briefs from November 5, 2019, to November 7, 2019, and reply briefs from November 12, 2019, to November 14, 2019. The Department represents that WEC supports the requested extensions. The Department makes this request because the transcript for the October 22, 2019, evidentiary hearing was not available until October 31, 2019, and states that both parties agree that additional time with access to the transcript will facilitate preparation of initial briefs.

The motion to extend the briefing schedule is granted.

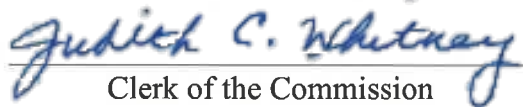

SO ORDERED.

Dated at Montpelier, Vermont, this 1st day of November, 2019.
