Professional Experience

Vice President of Government/Regulatory Affairs & Community Impact

Comcast Connecticut, Massachusetts, New York, Vermont and New Hampshire

2002-Present

Government and community relations professional responsible for regulatory, franchising, public policy, public relations, and communications matters in the Western New England Region of Comcast's Northeast Division, serving 800,000 customers in Massachusetts, Connecticut, New York, Vermont, and New Hampshire communities. Primary responsibilities consist of directing the franchise negotiation and regulatory compliance process. A primary function of this role is ensuring key business goals are operationalized in a manner that will meet both business and regulatory objectives. Additional functions include development and implementation of public affairs and community relations strategy, representation before regulatory bodies, management of regulatory matters with outside counsel, and participation in regulatory strategy and advocacy with regulators, elected and appointed officials, civic and community groups and print, television and radio media outlets. Primary regional leader responsible for understanding all substantive issues and financial ramifications in order to educate, influence and respond to key stakeholders, including regional senior leadership team. Essential contact with public relations and corporate communications departments, assisting with development and delivery of internal and external company messaging.

Counsel and Director of Government Affairs

AT&T Broadband, Springfield, MA

1998 – 2002

Regional legal counsel providing guidance on general liability and property tax issues in the Northeast Region of AT&T Broadband. Provide ancillary legal representation relative to telecommunications and cable television issues including analysis of FCC, federal and state court decisions. Responsible for franchise negotiations and regulatory compliance along with implementation of state and federal legislative initiatives. Further responsibilities include identifying and managing community relations projects and maintaining a superior understanding of industry specific telecommunications technology. Primary contact with elected and appointed officials, business community at large and the Springfield media market.

City Solicitor

City of Holyoke, MA

1996 – 1998

Chief legal counsel for a city with a population of 43,000. Responsible for all legal matters including: collective bargaining, contract drafting, review, implementation and compliance, procurement, ordinance drafting, and providing written opinions and guidance to elected and appointed officials, employees, boards and commissions. Responsible for oversight of all municipal litigation before federal and state courts and administrative agencies. Management duties included oversight of a professional office staff of six. Duties included issue management with print and television media.
