PUBLIC UTILITY COMMISSION

Case No. 19-1270-TF

Washington Electric Cooperative, Inc.'s, tariff filing for rate design changes and a change in rate schedules to be effective on services rendered beginning June 17, 2019	
--	--

Order entered: 12/23/2019

ORDER RE TARIFF FILING DEADLINE

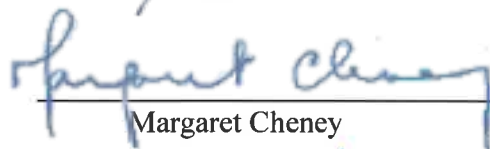

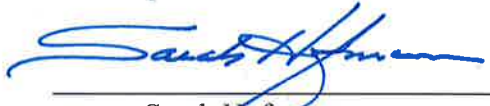

On December 19, 2019, the Vermont Public Utility Commission (“Commission”) issued an order in this case approving, subject to conditions, certain rate design changes proposed by Washington Electric Cooperative, Inc. (“WEC”). In that order, the Commission directed WEC to file tariffs in compliance with the order within seven days.

On December 20, 2019, WEC filed a motion seeking to extend the deadline for filing its compliance tariffs until January 17, 2020. WEC represents that it would be difficult to file its compliance tariffs within the 7-day period established by the order due to the intervening holidays, the need to work with its consultant to recalculate the tariffs, and the need to coordinate the rate design implementation with a pending request for a rate increase in Case No. 19-4576-TF. WEC represents that the Department of Public Service consents to WEC’s request.

Based on WEC’s representations, its motion is granted. The compliance tariffs required by the Commission’s December 19, 2019, order in this matter shall be filed no later than close of business on January 17, 2020.

SO ORDERED.

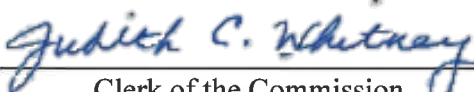

Dated at Montpelier, Vermont, this 23rd day of December, 2019.
