REQUEST FOR EXTENSION

On February 21, 2020, the Vermont Public Utility Commission (“Commission”) issued a Procedural Order Seeking Information and Scheduling Recommendations in the above-referenced proceeding. The Commission requested that parties to the proceeding respond to this information request by March 13, 2020.

Currently, the Vermont Department of Public Service (“Department”) staff members tasked with responding to the Commission’s information requests in this docket are unavailable. Therefore, the Department respectfully requests an extension until March 20, 2020 to respond to the Commission’s information requests, which will allow time for the appropriate Department staff members to review and properly respond to the Commission. Additionally, the Department does not and will not object to other parties who may seek a similar extension.
