Order entered: 03/12/2020

ORDER CLOSING CASE

On October 27, 2017, the Vermont Public Utility Commission opened an investigation docket regarding continuing issues related to the implementation of the Renewable Energy Standard (“RES”). This was one of the first RES implementation dockets that the Commission opened and served as a catch-all for 2017 RES compliance documents as well as other RES-related matters. There are no open matters or outstanding issues in this docket, and all matters related to the RES rulemaking and RES compliance for 2019 and 2020 are being carried out in separate dockets. Therefore, we close this docket.

SO ORDERED.

Dated at Montpelier, Vermont, this 12th day of March, 2020.
