

March 26, 2020

Please be aware that, while the Public Utility Commission continues to conduct business, starting March 26, 2020, the Commission's building is closed to the public. The Commission can be contacted via phone at 802-828-2358 or email at [puc.clerk@vermont.gov](mailto:puc.clerk@vermont.gov).

Because the Commission's building is closed to the public, FedEx, UPS, and courier services are not able to deliver to the Commission's offices. In addition, regular mail sent to the Commission's office is only being picked up by a Commission employee once a week.

The Commission's online filing system known as ePUC is operating normally; most filings can be made this way. Information on how to use ePUC is available at: <https://puc.vermont.gov/epuc-information>. See the Commission's March 20, 2020, memorandum for information on how to file in "legacy" paper cases. The Commission will provide information about filing confidential documents soon.

Thank you.

Sincerely,

Judith C. Whitney  
Clerk of the Commission
