Re: PUC Case No. 20-0783-AN - 45-day advance notice for Norwich Turnpike Solar, LLC,  
pursuant to 30 V.S.A. § 8010, for a 150 kW group net-metered solar array in Norwich, Vermont

Dear Mr. Harrison-

I am writing to acknowledge the Public Utility Commission's receipt of your general public comment filed on April 27, 2020, regarding the above-referenced advance notice case. Your comments were uploaded into the public comments file in the advance notice matter in ePUC.

Please note that as an adjoining landowner, you will be notified by the petitioner if and when the petition gets filed with the Commission. At that point, the petition will receive a new case number, and you can submit public comments and/or take action to intervene directly into that case number.

In the meantime, the petitioner was notified via ePUC about the filing of your comments when they were uploaded into the case.

Thank you for bringing your concerns to our attention.

Sincerely,

A handwritten signature in blue ink that reads "Holly R. Anderson".

Holly R. Anderson  
Deputy Clerk of the Commission
