

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Case No. 20-2369-RULE

Proposed revisions to Vermont Public)
Utility Commission Rule 2)

**VCE CONCURRENCE WITH HILL ATTORNEY PLLC AND DEPARTMENT
OF PUBLIC SERVICE REQUEST TO EXTEND COMMENT PERIOD**

Vermonters for a Clean Environment supports the requests by the Department of Public Service and Hill Attorney PLLC to extend the deadline for comments on proposed revisions to PUC Rule 2 for two weeks.

The reason for our request is that we have just become aware of the very small service list the PUC is using for this case, with only 24 parties receiving the documents. The PUC has a much larger list of participants that has been used in other proceedings, with more than 500 names.

Our particular concern is that this Rule affects public participation, and we do not see any members of the public who have participated *pro se* at the PUC on the service list.

We request that the PUC extend the comment deadline for two weeks and expand the notification list so that all past participants in PUC cases – not just attorneys – are notified of the deadline extension and opportunity to comment.
