

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 20-2369-RULE

Proposed revisions to Vermont Public Utility Commission Rule 2	
---	--

Order entered: 10/02/2020

PROCEDURAL ORDER RE COMMENT DEADLINE

On August 27, 2020, the Vermont Public Utility Commission (“Commission”) issued an order opening a rulemaking to begin a review of Commission Rule 2. The order included a draft of the changes to Rule 2 that are proposed by the Commission. The order established October 2, 2020, as the deadline for filing comments on the proposed changes.

On October 2, 2020, the Vermont Department of Public Service and attorney Cindy Hill each filed requests to extend the deadline for comments until October 16, 2020. The requests were based on scheduling issues and resource constraints arising as a result of the COVID-19 pandemic.

Also on October 2, 2020, Vermonters for a Clean Environment (“VCE”) filed comments supporting the requested extension. VCE also asked that the service list be expanded by using a larger list of individuals and entities that have participated in past Commission proceedings that is maintained by the Commission.

We find the requested extension to be reasonable. The deadline for filing comments in response to the August 27 order is extended until October 16, 2020.

With respect to VCE’s request to expand the service list, the initial distribution of the August 27 order and attachments was done using the larger participant list referred to by VCE. The service list that is found in ePUC is being developed as a result of interested persons contacting the Clerk of the Commission after receiving and reviewing the August 24 materials, which contained instructions for being added to the ePUC service list for this proceeding. Therefore, there is no need to expand the service list as requested by VCE.

SO ORDERED.

Dated at Montpelier, Vermont, this 2nd day of October, 2020.
