REQUEST TO REINSTATE THE TEMPORARY MORATORIUM

In the context of a spike in COVID-19 cases statewide, freezing winter temperatures, continued online education, and with the application for Vermont COVID-19 Arrearage Assistance Program funds closing on December 15<sup>th</sup>, 354 Vermonters have signed a petition supporting the request that the PUC reinstate the moratorium on utility disconnections throughout the COVID-19 state of emergency. The language of the petition reads as follows:

“Dear Public Utility Commission:

No Vermonter should have to worry that their utilities could be disconnected this winter because they are unable to make bill payments during the pandemic. Please immediately reinstate a moratorium on utility disconnections to last throughout the statewide state of emergency.”

Signed,
