Re: Request for Comments
Date: February 16, 2021

On January 6, 2021, Charter Fiberlink VT-CCO, LLC (“Charter Fiberlink”), filed a petition with the Vermont Public Utility Commission (“Commission”) for designation as an eligible telecommunications carrier.

On February 4, 2021, the Vermont Department of Public Service (“Department”) filed comments and prefiled testimony recommending that the Commission approve Starlink’s petition without further hearings or investigation provided that Starlink complies with certain information filing requirements, including deployment milestone reports, a marketing plan, and annual reports on Starlink’s marketing and outreach efforts.

The Commission asks that Starlink file a response to the Department’s comments indicating whether or not it agrees to the conditions recommended by the Department on or before March 3, 2021.
