Re: PUC Case No. 21-0018-PET - Starlink Services, LLC/Request for ETC designation

Dear Richard Pecor:

I wish to acknowledge the Vermont Public Utility Commission's ("Commission") receipt on February 18, 2021, of your comments regarding the above-referenced matter. Copies of your comments were provided upon receipt to the Hearing Officer and Commission staff assigned to this case. Your filing has also been made a part of the public comments file in this case. I have also provided a copy of your letter to the Vermont Department of Public Service.

Please note that there is a workshop scheduled for March 16, 2021, at 9:30 AM, via videoconference in Case No. 19-4625-INV, which is an investigation into PUC Rule 8.313 and the line extension policies and tariffs of Vermont's cable operators. Although you have filed comments in the investigation, it does not appear that you have subscribed to receive notices and filings and may not have received the notice of the workshop. The workshop may relate to some of the issues raised in your comments.

Sincerely,

A handwritten signature in blue ink that reads "Holly R. Anderson".

Holly R. Anderson
Clerk of the Commission
