Re: NRPC Comments – BCAF GLC Solar LLC – 21-0732-NMP

To Whom It May Concern:

At a meeting on March 10, 2021, the Northwest Regional Planning Commission (NRPC) Project Review Committee reviewed the petition from BCAF GLC Solar LLC for the development of a 500 kW net-metered solar facility to be located on Bellevue Carriage Road, St. Albans Town 05478.

Upon completing their review of the proposed project, the NRPC Project Review Committee found that the proposed project conforms with the Northwest Regional Plan and does not have a substantial regional impact (as defined in the Northwest Regional Plan).

Please feel free to contact me should you have any questions.

Sincerely,

Emily Klofft
Regional Planner
