**DEPARTMENT OF PUBLIC SERVICE'S RESPONSE TO
EFFICIENCY VERMONT MOTION TO AMEND SCHEDULE**

On April 9, 2021 Efficiency Vermont filed a Motion to amend the schedule adopted by the Public Utility Commission's Order of March 9, 2021 for the review of the greenhouse gas emissions reduction programs proposed by Efficiency Vermont pursuant to Act No. 151. In the Motion, Efficiency Vermont proposed a schedule which streamlines the schedule previously adopted by the Commission to review Efficiency Vermont Act 151 programs in light of an apparent consensus among the parties regarding the design and budget for Efficiency Vermont's implementation of its proposed Act No. 151 programs. This filing confirms the Department of Public Service has communicated with Efficiency Vermont regarding the proposed amended schedule and supports Efficiency Vermont's Motion.

Dated at Montpelier, Vermont this 13th day of April, 2021.
