MEMORANDUM

To: Parties in PUC Case Number 21-1054-NM

From: Andrew Flagg, Hearing Officer

Re: Request for Information

Date: May 17, 2021

A handwritten signature in black ink, appearing to be "AF", positioned to the right of the "From:" line.

On March 11, 2021, rb Technologies, LLC (“Applicant”) requested a certificate of public good, pursuant to 30 V.S.A. §§ 8010 and 248 and Commission Rule 5.100, for the construction and operation of a 44.2 kW solar net-metering system at 1970 Route 14 S in East Montpelier, Vermont (the proposed “Project”).

The Vermont Public Utility Commission (“Commission”) requests that the Applicant provide the following additional information so that the Commission can complete its review of the Applicant’s request for a certificate of public good.

On April 19, 2021, the Town of East Montpelier Planning Commission (“Planning Commission”) filed a notice of intervention in this case and also submitted comments on the Project. The Planning Commission’s comments included a request that the Commission impose several conditions to address the Planning Commission’s concerns with respect to aesthetics and orderly development.

The Applicant is directed to file a response to the Planning Commission’s comments and requested conditions in writing with the Commission by June 1, 2021. The Applicant shall send a copy of its response to all persons on the attached service list.
